

**Now, we wanted our small circles to be clickable!**

**Do you remember, in every app, we have something that we can click! Or even on an elevator, or AC/TV remote!**

**What do we call it?**

**Now, we wanted our small circles to be clickable!**

**Do you remember, in every app, we have something that we can click! Or even on elevator, or remote!**

**What do we call it?**

**Button!**
