Try it yourself!

```
Button(action: {
    color = Color.yellow
}, label: {
    Circle()
        .foregroundStyle(Color.yellow)
        .frame(height: 60)
})
```

Think, Pair, and Share in breakout room

```
Button(action: {
        color = Color.yellow
}, label: {
    Circle()
            .foregroundStyle(Color.yellow)
            .frame(height: 60)
})
```
